**MEASURING YOUR  
QUALITY NEEDS**

### MARKET & APPLICATIONS :

Automotive Component Testing  
Cosmetics Testing  
Medical Device Testing & Manufacturing  
Electronic Component  
Physical Therapy & Ergonomics  
Construction / Building Material Testing  
Micro-Electronic Component Testing  
Food Testing / Texture Analysis  
Pharmaceutical Testing  
Paper & Paperboard Testing  
Plastic Testing  
Polymer Testing  
Rubber Testing  
Metals Testing  
Packaging Testing  
Wood / Timber Testing  
Marine Industry  
Spring Testing  
Power Energy  
Oil / Gas  
Textil Testing

### TEST SOLUTIONS :

Adhesion Testing / Adhesives Testing  
Bending Tests  
Bond Strength Testing  
Break Strength Testing  
Coefficient of Friction Testing  
Compression Testing  
Creep Testing  
Crush Resistance Testing  
Deformation Testing  
De-lamination Strength Testing  
Dry Strength Testing  
Ductility Testing  
Elastic Limit Testing  
Elongation Testing  
Flexural Strength Testing  
Friction Testing  
Modulus of Elasticity Testing  
Peel Strength Testing  
Puncture Strength Testing  
Rupture Testing  
Shear Strength Testing  
Stress Relaxation Testing  
Tear Resistance Testing  
Tear Strength Testing  
Tensile Strength Testing  
Toughness Testing  
Young's Modulus  
Calibration Services  
Tool-Room Measurements

### PRODUCTS :

Sifter / Sieves  
Melt Flow Indexer  
PET Plus  
Force Gauges & Testers  
Grips & Fixtures  
Medical Dynamometers  
Testing Software  
Torque Gauges & Testers  
Mechanical & Digital Testers  
Manual & Motorized Test Stand  
Material Testing Machines  
Texture Analyzer  
Compression Testers  
Data Acquisition Testers  
Digital Calipers  
Height Gauges  
Micrometers  
Indicators  
Tachometers  
Digital Anemometers  
Durometers  
Hygrometers & Dew Point Meter  
Moisture Meters  
Digital Thickness Meters & Gauges  
Surface Meters  
Roughness Meter  
Vibration Meters  
Sound Level Meters  
Light Meters  
Infrared Thermometer  
Clamp Meter  
Digital Multimeters  
Thermocouple Calibrator  
Optical Comparator  
Video Inspection System  
Digital Microscopes  
Temperature Calibrators  
Pressure Calibrators  
Signal Calibrators  
Temperature Sensor  
STS Reference Sensors  
Insertion Tubes  
Pneumatic & Hydraulics Pump Systems  
Advance Pressure Modules (APM - JOFRA)  
Calibration Software  
Stroboscopes  
Tachometers  
Panel Mount Tachometers & Counters  
Proximity, Magnetic & Photo-Reflective  
Sensors  
Rotary Pulse Generators  
Length & Linear Speed Measuring Sensors
