We BUY EXCESS INVENTORY call us!

Turn Excess
INVENTORY into
CASH

Cut warehouse costs & aging inventory
Optimize your warehouse space

circuit breakers • contactors • drives ac/dc
electrical hardware • general equipment &
machinery • industrial controls • industrial &
electrical supply • inverters • lab equipment
machine interface • plc • power supplies
pressure & process controls • proximity switches
relays • switches • servo drives • sensors
speed controls • starters • tools • transmitters
temp controls • timers/counters

• Tired of counting and stressing over your excess idle inventory? Relax - we'll buy it.

• Simply email us a list of the inventory that you want to liquidate, or just call us and ask.

• B2E will analyze your items and email or call you with an offer. We believe in fair pricing, and a fast transaction.

• B2E will cover all the shipping costs for your lot, even if it's a single box with one item.
