About Us - - - -

Established in the year 1997, “We Kohinoor Machine Tools” are reckoned as one of the experienced manufacturer and supplier of Surface Grinding Machine. Our products are highly favored in the market due to their features like durability and easy to maintain nature. Moreover, our offered range of machines are processed using superior quality raw material, which is procured from trusted vendor of market. Owing to the quality products offered by us, we have earned trustworthy position in the industry.

Oil Dip Machine

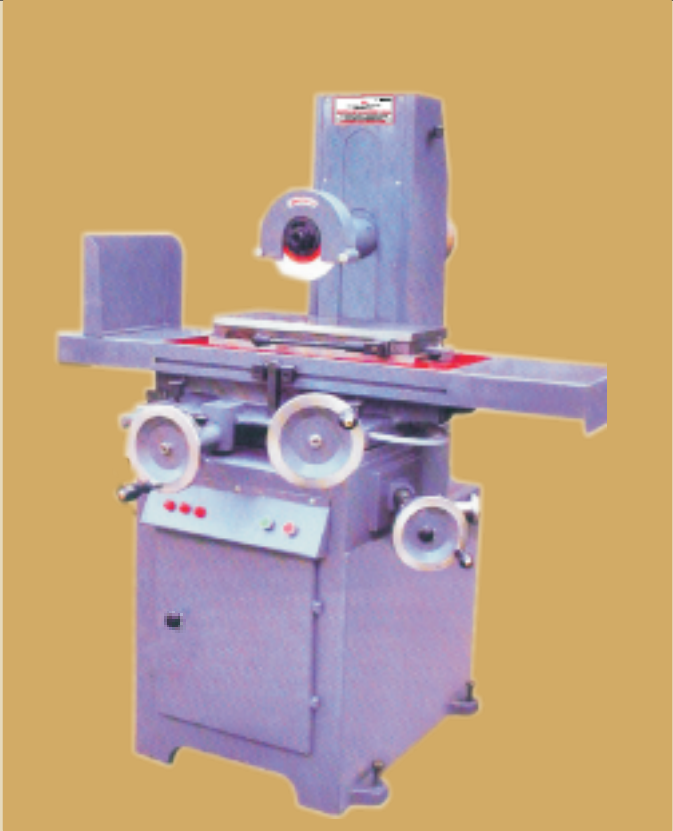

The machines are robust, rigid & well ribbed heavy duty Cast Iron pedestal Bed with accurate V and flat guide ways with Oil Dipped.

The machine ensures absolutely vibration-free services and every care has been taken to fabricate each & every part incorporated in the machine precisely to achieve maximum accuracy.

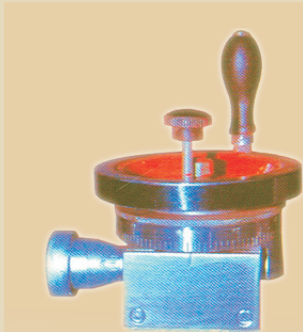

Ball Type Machine

These machines run over special Steel Balls for extra smooth working of the table. These machines are useful for high production of goods.

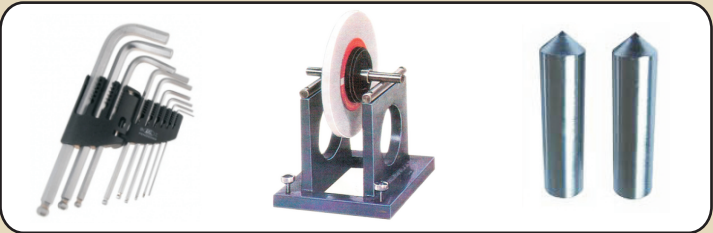

Down Feed Machine

These machines are made of heavily duty Cast Iron and are specially for heavy jobs. These machine are available in two sizes:-
Model No. KM1020 and KM 1224

Micro Feed System can be attached with vertical feed to get maximum accuracy as optional accessory
