BEYOND THE SALE, THE SERVICE

Apart from providing the best quality of products, all of our valuable customers will also benefit from exceptionally good after sales support along with superior customer service and all time spare parts availability. Our well-equipped service center along with trained and experienced technicians gives us an advantage over other competitors in the market.

WHY CHOOSE HELI

VALUE FOR MONEY

Our prices are extremely reasonable. Hence, when you invest in a Heli product, it gives you the same features and functions as any other brand.

WE USE THE SAME ENGINES

Our products come with the Isuzu/Mitsubishi diesel engines (Made in Japan), just like any other Japanese/ European brand.

THOROUGH HELI EXPERIENCE

We are the authorized and the sole distributors for the Heli products all over UAE since 2003 and thus have a thorough experience and expertise of the brand.

A WELL-STOCKED SPARE PARTS DIVISION

We make sure that the customer finds each and every spare part at our office and therefore we have a separate department for the spare parts.

MOBILE VANS & AFTER SALES EXPERTISE

We are well known for our excellent after sales services, having a fleet of Mobile Service Vans and thus keeping our customers happy at all times.

ACROSS INDUSTRIES

Heli products are now visible in various sectors including Logistics, Power, Rental, Fabrication, Printing and Packaging, Steel, Wood, Food & Beverages, Cement etc.
