

Russia

Is it all what you know about Russia?

Let me tell about my mysterious, boundless and beautiful Land.

I will tell you about people, mentality and Russian machine and tool market.

And about different market.

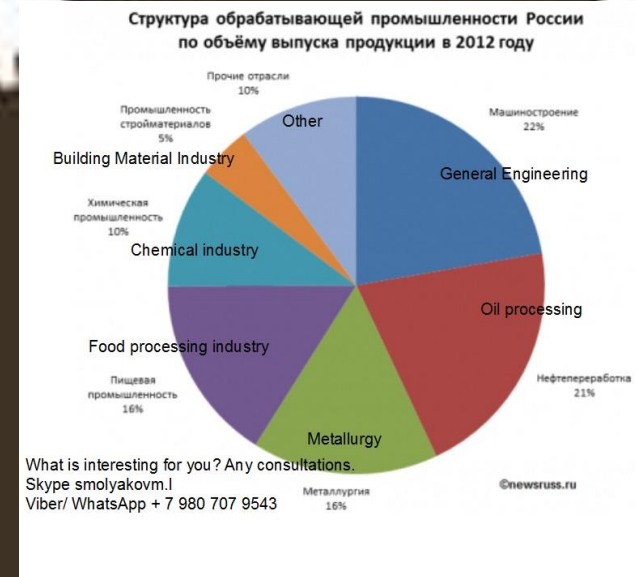

Let's go?

PACIFIC
OCEAN

It's like so many others made in Russia.
 You can see the structure of industry in the diagram.
 Are you already know what you want to sell or
 buy? Probably you know with whom will be you to
 compete?
 The Russian market is buyer market.
 The winner is comprehensive offer with the lowest
 price. Do you need a clue?

The Russia is the space and the distance
The transport company will be your main partner.
Delivery to the buyer's warehouse very an important point.
Delivery to the place and customs clearance. This is the way to success.
We remember that the accuracy of delivery times is extremely important for customer
