The proposed prices do not include freight, rigging or machine set-up unless otherwise stated. These items may be quoted upon request. Proposed price do not include any state or federal taxes if applicable. Prices are firm for thirty days after which time they may have to be reviewed.

Proposed machinery may not meet all specific state or local codes. Any changes resulting from special construction, electrical, hydraulic or pneumatic compliance, at the time of installation, will be the responsibility of the customer. Electrical wiring and the supply of oil, when required, are also the responsibility of the customer.

We thank you for the opportunity to present this proposal, and we look forward to working with you in the future. If you have any questions regarding either this proposal or any other fabricating equipment, please be sure to call us immediately at 262-703-0400.

Sincerely,

Gladwin Machinery & Supply Co.
