

“Simply the best value in the industry”

UVC-3393WT *UV Curing Equipment with Low-Temperature Design*

FEATURES:

- For roller & curtain coating
- Separate UV curing stages, prevents thermal deformation
- Patented anti-skid device
- Special UV lamp's housing design, extended lamp life, patent pending
- Phase failure & phase reversal protection
- Adjustable height and angle for individual lamps
- Compatible with different low-gloss finishes

SPECIFICATIONS

Model	Suitable workpiece	Exterior dimensions	Effective width	Conveyor speed	UV lamp	Power
UVC-3393WT	Flat	306/116/188	60 cm	30 m/min	CS 339 x 3	20 KVA
UVC-3433WT	Flat	306/150/195	98 cm	30 m/min	CS 343 x 3	32 KVA
UVC-0073WT	Flat	306/199/194	120 cm	30 m/min	CS 7 x 3	43 KVA
UVC-0093WT	Flat	306/199/194	148 cm	30 m/min	CS 9 x 3	48 KVA
