All sales are subject to standard Gladwin Machinery terms. Equipment descriptions are intended only as a guide and their accuracy is not guaranteed. It is the purchaser's responsibility to verify machine condition & specifications.

GUARANTEE/CONDITIONS: If any machine guaranteed by us does not prove satisfactory as represented, the purchaser may return (freight prepaid) upon written notification within 30 days from date of shipment and in a condition equivalent as sent to the buyer. We will refund the purchase price in full. This guarantee does not apply to machines sold "as is", machines sold off of customers' floor, or machines sold with incidental and/or cosmetic imperfections not generally hindering the performance of the machine. There are no warranties which extend beyond the description on the face hereof, quotation subject to change without notice. All agreements and/or contracts made by sales person are subject to approval.

EQUIPMENT SAFETY: It is the buyer's/users' responsibility to provide proper safety devices and equipment to safeguard person from harm resulting from any particular use, operation or set-up, and to adequately safeguard the equipment to conform to all Federal, State and Local Government Safety standards and all Industrial Standards. Proposed machinery may not meet all specific state, federal or local codes.

INDEMNIFICATION: Buyer/User agrees to indemnify and hold harmless Seller and Salespersons from any and all claims or liabilities caused by or arising from the equipment on the face hereof. All equipment quoted is subject to prior sale.

The proposed prices do not include freight, rigging or machine set-up unless otherwise stated. These items may be quoted upon request. Proposed price do not include any state or federal taxes if applicable. Prices are firm for thirty days after which time they may have to be reviewed.

Any changes resulting from special construction, electrical, hydraulic or pneumatic compliance, at the time of installation, will be the responsibility of the customer. Electrical wiring and the supply of oil, when required, are also the responsibility of the customer.

We thank you for the opportunity to present this proposal, and we look forward to working with you in the future. If you have any questions regarding either this proposal or any other fabricating equipment, please be sure to call us immediately at 262-703-0400.

Sincerely,

Gladwin Machinery & Supply Co.

Kevin King
