SPECIALTY DRILLING TOOLS

COMPLETE UNDERGROUND UTILITY AND
BORING CONTRACTORS TECHNOLOGY. NO
MATTER WHAT TYPE OF TERRAIN.

SPECIALTY DRILLING TOOLS, A SASNETT HOLDINGS Co., was incorporated in 1992 to meet the growing needs of Utility Construction Contractors and Directional Drillers. Since that time our years of experience speaks for itself. SDT provides quality tooling to the man in the field. We will design or customize tooling for any job, compatible for any rig. Explore our products and services at www.specialtydrillingtools.com to see how SDT can help make your Utility Construction or Directional Drilling Experience save you money and time.

Specialty builds API Flanges, ANSI Flanges, Bull Plugs, Pulling Eyes, Rings, Swivels (Gold Series, Pull Back, and Replacement Parts) Bits, Jets and Sleeves, Vice Dies, Duct Pulls (Sleeved, Un-sleeved, Adjustable), Couplings, Adapters, EZ Connects, Drill Stems, Subs, Cross Over Subs, Drive Chucks, Blades and a lot of other Rotary Tools. Just a few of our items in stock are Ridgid

Wrench's, Sonde Houses, Teeth/Pics, Drill Rod Wipers, Split Wipers, Wire Slings, Wire Grips, Bolts/Nuts, Spray Paint, too much to list.

Whether you are a **Wyo-Ben** user or a **DrillRite** user we keep both products in stock.. [Extra High Yield](#), [Borzan](#), [Dril-Trol](#), [Soda Ash](#), [Wyo-Vis](#), [Sand Master](#) and more.

DrillRite:

ClayRite,
DetRite, PacRite,
PolyRite,
RiteMixMS,
SandRite and
ThinRite.

Also in stock is our Thread Compound (EcoSafe), Mach Floor Dry, Mineral Spirits, Thread Protector, and JetLok Epoxy.

Specialty carries Radius, Railhead, Vermeer and Ditch Witch Tools and Parts.

Our Reamers are built, here on site, from High Quality 4145 Steel. So, if you are drilling in Mud, Hard Rock, Sand, through or under Rivers or Lakes, we have the Tool, or will custom

build the Tool you need to get your job done.

Looking down the center of this Stack Plate you can see the precision work that is involved in making this Tool.

This Barrel Reamer is built with 4145 Steel and Reinforcement inside of it. It can withstand any type of formation.

All of our Reamers, Taper Fluted, Wing Reamers, Stack Plate, Barrel, Beaver Tail, Push Pull Helical Reamer, Tri-Ring, Broad Head, are built in many different sizes.

***We Rent and Repair Tools.**
