Experienced Appraisal Services

JBL Services has over 20 years experience in the equipment industry. We have conducted hundreds of appraisals on machinery and equipment. Whether you have one piece, one plant or a nationwide fleet, you can count on our machinery and equipment expertise to appraise your assets.

Knowledgeable & Confidential

JBL Services understands the appraisal process and the need for confidentiality and discretion. We work with you through the entire process, starting with a discussion to determine the intended use and users of the appraisal, correct approaches to, and definition of value that are appropriate for your specific needs. We thoroughly inspect the asset(s) and confidentially conduct exhaustive comparative research. Then we create customized reports to ensure all parties involved have the information they require.

Accredited Appraisers

JBL Services appraisals exceed the standards and ethics set out by leading appraisal associations and are fully compliant with USPAP (*Uniform Standards Of Professional Appraisal Practice*). Our unbiased appraisals are trusted by: Chartered Banks, Finance Companies, Asset Based Lenders, Accounting and Legal Firms, Business Valuers, Insurance Companies and Equipment Owners alike.

Customized Reports

JBL Services offers a variety of appraisals reports to meet your needs. Our appraisals can contain a current or retrospective date, and fall under any one of the following Definitions of Value:

- Fair Market Value (FMV) or Market Value
- Fair Market Value - Installed (FMV-I) - Removed (FMV-R)
- Orderly Liquidation Value (OLV)
- Forced Liquidation Value (FLV)

Global Machinery & Equipment Networking

JBL Services has an extensive network of machinery and equipment professionals that include: OEM Dealers, Used Equipment Brokers, Service Technicians, Industry Publications, Specialty Appraisers and Auction Companies. These relationships keep us current to industry trends and economic conditions.

Buying & Selling Services

JBL Services understands that when you need to sell off or purchase equipment it can become a time consuming challenge. We can market your assets to buyers around the world or canvass our network to find the equipment to fit your needs.

Asset Based Financial Services

JBL Services speciality lender affiliates offer our customers the opportunity to borrow against their machinery and equipment, assets, inventory, receivables or "SR & ED" (SHRED) tax credits. We can match your company with lenders that best fit your needs.
