

Selling Your Used Equipment Now Made Easy

A new way to sell used with Lenmark

About Us

- A hands on approach to help customers sell and buy products.
- Lenmark fosters leads for your unique industrial products
- An expert team specializing in inventory management, sales, marketing, and logistics.
- Lenmark also helps buyers find the right equipment without risking buying at auctions and quality concerns.

Testimonies

“Lenmark helped me close my business and sell my equipment during early Covid-19. They are experts at what they do.”

Adam Winston
Google Review

“Purchased an industrial 3 phase motor on their website. The purchase process was quick and easy. Great experience.”

Brian Larson
Google Review
