

UNLOCKING FLOW,
EMPOWERING INDUSTRIES

Engineering the Valves for Isolation, Protection and Fluid Controls

Welcome Message

Welcome to **Zebco**, where excellence meets innovation in valve manufacturing, supply, and export. With a rich history of delivering top-quality valves to clients worldwide, we pride ourselves on our commitment to quality, reliability, and customer satisfaction. From gate valves to globe valves and beyond, our extensive product range caters to the diverse needs of industries spanning oil and gas, petrochemicals, power generation, and more. Backed by a dedicated team of professionals and state-of-the-art manufacturing facilities, we ensure that every valve meets the highest standards of performance and durability.

At **Zebco**, we understand the importance of seamless supply chains and timely deliveries. That's why we have built strong partnerships and streamlined processes to ensure that our clients receive their orders promptly and efficiently. Join us as we continue to lead the way in providing exceptional valve solutions to customers around the globe.

About Us

Since its inception in 2013, Zebco has solidified its position as a premier manufacturer and supplier of industrial valves and instrumentation equipment. Our extensive product range encompasses gate valves, globe valves, ball valves, check valves, and instrumentation solutions, such as pressure and temperature gauges, switches, transmitters, level switches, and flow meters. With a commitment to excellence in quality, innovation, and customer satisfaction, Zebco continues to push the boundaries of valve technology to meet the evolving needs of various industries.

Backed by a dedicated team of skilled professionals and equipped with state-of-the-art manufacturing facilities, Zebco ensures the highest standards of performance and reliability in every product. Our relentless pursuit of excellence has earned the trust and confidence of customers worldwide, establishing Zebco as the preferred choice for industrial valve solutions.

Looking ahead, Zebco remains steadfast in its commitment to innovation, sustainability, and customer-centricity. Through continuous improvement and expansion initiatives, we strive to lead the industry into new frontiers, driving success and growth for our customers and partners. Our goal is to provide tailored solutions that deliver precision, reliability, and efficiency, exceeding expectations and setting new benchmarks for excellence in industrial operations.

Vision

- Our vision is to be recognized as a global leader in valve manufacturing, supply, and export.
- We aim to achieve this by setting new standards of excellence in product quality, customer service, and industry innovation.
- With a focus on sustainability and growth, we aspire to be the preferred choice of customers worldwide for all their valve needs.

Mission

- Our mission at **Zebco** is to provide innovative and reliable valve solutions to our global clientele.
- We are committed to delivering products of the highest quality, backed by exceptional service and support.
- Through continuous innovation and a customer-centric approach, we strive to exceed the expectations of our customers and contribute to their success.

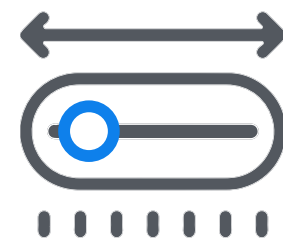

Key Features

Fueled by a blend of industry expertise, advanced technology, and skilled professionals, we have evolved into a leading valve manufacturer, supplier, and exporter. Serving diverse industries like Oil & Gas, Power, Fertilizers, Petrochemicals, Steel, Pharma, Paper & Pulp, Sugar, our journey began with trading Industrial Valves from top Indian Manufacturers.

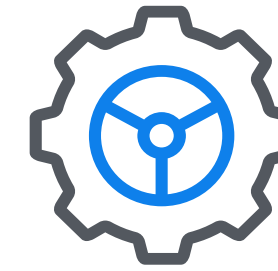

Quality Assurance

Guaranteeing Excellence. Our rigorous protocols ensure top-notch quality in every product.

Diverse Range

Our products cover a wide range of applications, ensuring versatility and flexibility for all requirements.

Customization Options

Tailored Solutions. Our customizable products are designed to meet your specific needs with precision and efficiency.

Global Reach

Connecting Worldwide. Our products and services extend across the globe, delivering quality solutions wherever you are.

Industrial Valves

Precision Solutions for Fluid Control. Our reliable, durable valves ensure efficient fluid management across industries.

Instruments

Reliable Solutions for Industrial Efficiency. Our precision instruments streamline operations with accuracy and reliability.

Pneumatic Valves & Fittings

Streamlined Air Control Solutions. Our precision-engineered products optimize air management for diverse applications.

Our Products

Delivering Exceptional Experiences Through Seamless Execution: At Zebco, we prioritize the refinement of our processes to ensure that every interaction with our customers is not just efficient, but also enjoyable. By focusing on seamless execution, we aim to elevate the overall customer experience and set new standards of satisfaction.

Industrial Valves

Precision Solutions for Fluid Control. Our reliable, durable valves ensure efficient fluid management across industries.

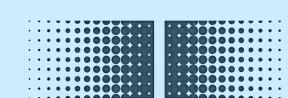

- Ball Valves
- Gate Valves
- Globe Valves
- Check Valves
- Butterfly Valves
- Strainers
- Safety & Relief Valves
- Control Valves

Instruments

Reliable Solutions for Industrial Efficiency. Our precision instruments streamline operations with accuracy and reliability

- Pressure & Temperature Gauges
- Thermometers
- Temperature Indicator
- Industrial Thermocouple
- Digital Temperature Controller
- Pressure Transmitters
- Heater

Baumer

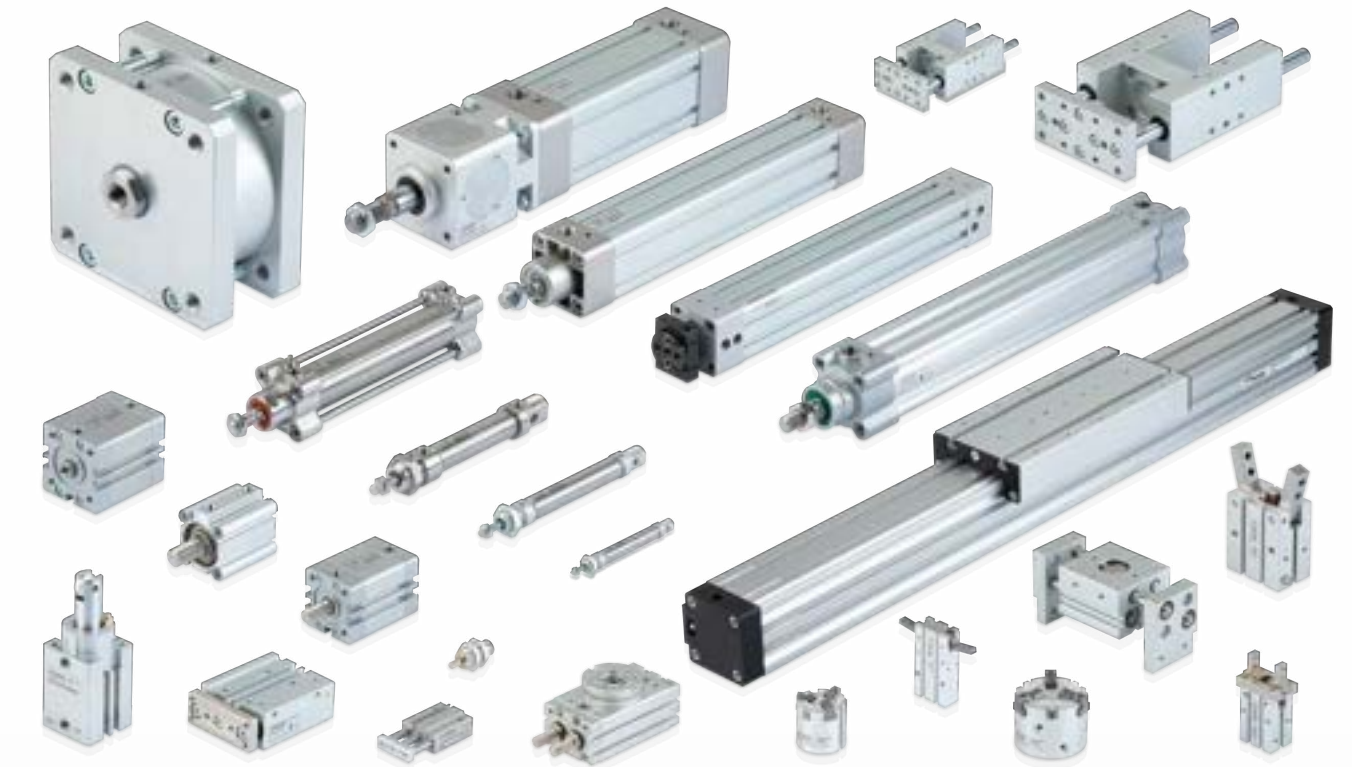

Honeywell

Pneumatic Valves & Fittings

Streamlined Air Control Solutions. Our precision-engineered products optimize air management for diverse applications.

- Electrical Actuator
- Air Cylinders
- Industrial Filter
- Solenoid Valve
- PU Pipe & Fitting
- Vacuum Equipments
- MS Pipe & Flanges
- Hydraulic Fittings
