

Manufacturer & Exporter of Dies Moulds Tools

A Challenging Hub In
Engineering

About Us

Since 2004, PAREKH WIRE CUT has been professionally run by Engineer Brothers having rich technical & commercial experience which helps us to deliver value-for-money products to our prestigious clients.

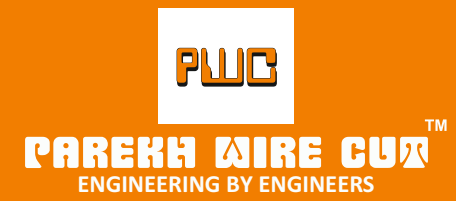

Today, PAREKH WIRE CUT is one of the fastest-growing sophisticated tool rooms in Bharat having manufacturing units at Surat (Gujarat - BHARAT) & Daman (U.T. - BHARAT).

We are equipped with machinery like CNC Wirecut EDM, EDM, CNC Milling, CNC Turning, Surface Grinding, Radial Drilling, etc.

We are engaged in the manufacturing & exporting of Dies, Molds, Turret Tools, Jigs-Fixtures, Template-Gauges & Tailor Made Critical Machining Components.

20⁺
YEARS OF
EXPERIENCE

Sheet Metal Tools

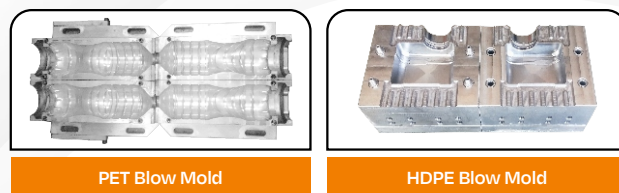

Machining Components

Injection Molding Dies

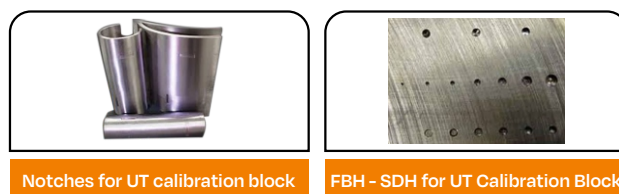

Blow Molds

Extrusion Dies

UT Calibration Block

Mini MOLDING MACHINE

Final Products

Available In Two Colors

Benifits

Easy to Operate, No skill or Hardwork requires
Table Top Machine, Small space requirement
Single phase, can be use at home also
Safety net at Heater
Woman can also Operate
Oil free Machine
Digital Shot counter for Production data
Digital Tempature controller to avoid material
Burning by Over heat
Timer settting from 1 second
Fast delivery within 7 days

Machineries We Have

- CNC Wire Cut Machine
- CNC Milling Machine
- CNC Turning Machine
- EDM Machine
- EDM Drilling Machine
- Surface Grinding Machine
- Boring Machine
- Manual Lathe & Drilling Machine

We undertake Job Work of

- CNC Turned Parts
- CNC Milled Parts
- CNC Turnmill Parts
- Sheet Metal Parts
- Plastic Molded Parts
- Blow Molded Parts
