To Whom it may concern

Subject : Reference for John B Sudlow Nicholson

I have known Mr. Nicholson for the past 30 + years and have had numerous dealings with him through the various companies I have worked for in that time.

We have purchased a range of workshop machinery and other supporting equipment for our workshops in the UAE & Qatar.

I have always found him to be straightforward with the upmost integrity, and extremely resourceful in his ability to source a variety of good quality equipment.

I have no hesitation in recommending him for any similar activity.
