Wherever Business Needs To Be Delivered

Global Trade today has become more complex with Business transcending geographies & the Logistics being multi-modal and infrastructure dependent. Cargo needs to be delivered across the globe so as to reach a particular place at a particular time overcoming all vagaries of international shipping, Crossing customs borders not once but many times over for a single shipment & overcoming environmental and weather changes on a single journey. Buyers/Customers are adapting to the just in time principles to make their business more profitable & sustain in this competitive markets. In such a scenario the need for speed is pre-requisite & precision in operations along with a deep understanding of international laws/ global markets is of crucial importance.

Welcome to ARK Shipping Inc. We are a part of the CKB Group with over 9 decades of Logistics experience behind us, serving the global trade since 1917. Business at ARK is driven by one maxim – deliver across boundaries, on time, every time with a consistency that is hard to match and provide customers with logistics solutions rather than a simple logistics service.

At the heart of ARK's service strength is a global network of own offices/partners/agents covering over 325 locations in over 110 countries. The CKB Group with its headquarters in Mumbai, India has a network over 23 offices across India.

The gamut of services offered by ARK covers all activities in the logistics field such as international freight forwarding, customs broking, consolidation, trucking, warehousing, air freight, door to door delivery and cross trades. The astounding success of ARK Shipping in all of the above activities is due to its highly motivated team of logistics professionals numbering close to 300 personnel across the globe. The ARK team is a cohesive unit, well informed & well versed in the local & global demands with an experience to tackle every unique logistics challenge.

We at ARK Shipping handle all kinds of cargo such as engineering goods, chemicals, dyes, garments, heavy lifts, textiles, steel, food stuff, project cargo and last but not the least hazardous goods of all kinds. Safety & security of your cargo being our utmost concern, every simple and smallest of the shipment is handled with the utmost diligence by our experienced and dedicated team of logistics professionals. Finally being C-TPAT certified gives us an edge to serve you faster and better.
