

# 2020 SMEC SL2500 CNC Turning Center

## Machine Overview

For sale: 2020 SMEC SL2500 CNC Turning Center - FANUC 0i-TF control, 10" hydraulic chuck, and 12-station turret.

This machine is in excellent condition with minimal use. Built by SMEC (Samsung Machine Tools), it delivers high precision and heavy-duty performance.

## Technical Specifications

- Model: SMEC SL2500
- Year: 2020
- Serial Number: SL2500B-001167
- Control: FANUC 0i-TF
- Swing: 25.59"
- Turning Diameter: 16.92"
- Machining Length: approx. 20.0"
- Chuck Size: 10"
- Bar Capacity: 3.03"
- Max RPM: 3,500
- Power: 30 HP (estimated)
- Axes: 2 (X/Z)
- Tailstock: Yes
- Live Tooling: No
- Sub Spindle: No
- Machine Weight: 11,220 lbs
- Dimensions: 115" x 65" x 75" (L x W x H)

## Equipped With

- FANUC 0i-TF CNC Control
- 10" Hydraulic Chuck
- 12-Station Servo Turret
- Tailstock

# 2020 SMEC SL2500 CNC Turning Center

- Chip Conveyor
- Coolant System
- USB Port
- Work Light
- Safety Door Interlock
- Manuals Included

## **Pricing & Availability**

- Asking Price: \$49,000 USD
- Return Policy: As-Is, No Return
- Location: South Korea
- Machine is under power and available for inspection
- Worldwide shipping available
