

DEEP

An ISO 9001:2000 Certified Company

DEEP INDUSTRIAL CORPORATION

COMPLETE RANGE OF :

Mechanical Power Presses

Hydraulic Presses

Shearing Machines

Press Brakes

Rod Reducing Machines

Pipe Swaging Machines

An ISO 9001:2000 Certified Company

About Us

Deep Industrial Corporation was established in **1954** under the dynamic leadership of our founder Late S. Gurdev Singh Deep (1928-2008) on a modest scale at Ludhiana. Under his guidance and tireless efforts of Late S. Kuki Inder Paul Singh (1952-2013) our organisation is known today amongst the leading manufacturers & exporters of Power Presses, Hydraulic Presses, Sheet / Plate Shearing Machines, Press Brakes, Pipe Swaging machines, Rod Reducing machines & other specialized machinery. Since its inception the organisation has excelled, achieving various prestigious milestones along the way and is presently serving the engineering industry with numerous products & services of **DEEP GROUP OF INDUSTRIES**. Our products marketed under the brand of '**DEEP**' are being extensively used within the country as well as various overseas markets to the entire satisfaction of our valued customers.

During our journey many feathers have been added to our cap including Awards by various Ministries of Govt. of India, State Govts. and Appreciation Letters from various National & International Technical Dignitaries and Institutions.

Alongwith our ever increasing List of satisfied customers, our desire to upgrade manufacturing technology at our works, R&D for new products, Quality consciousness and to provide flawless after sale service makes our products real value for money.

Our ultra-modern manufacturing units have been equipped with latest machines and other infrastructure. Our consciousness regarding Quality can be well judged by the fact that latest measuring and calibration instruments including micrometers and Vernier Calipers upto 1000 mm size are important part of list of facilities available in our Quality Control Deptt. Besides this our products are manufactured in accordance with International standards of accuracy and our unit has also been awarded as an ISO 9001:2000 Certified company, the most recognised Quality Acceptance certificate.

Under the dynamic leadership of Er. Jang Bahadur Singh, B.E. (Mech.), MIE, Er. Sapandeep Singh, B.Tech (Prod.), MBA and S. Harmandeep Singh, B.Com, MBA, our team comprising of dedicated & highly qualified, skilled and experienced professionals is leaving no stone unturned to fulfill the dreams of our founder for betterment of industry thus humanity.

C-Frame Mechanical Power Presses

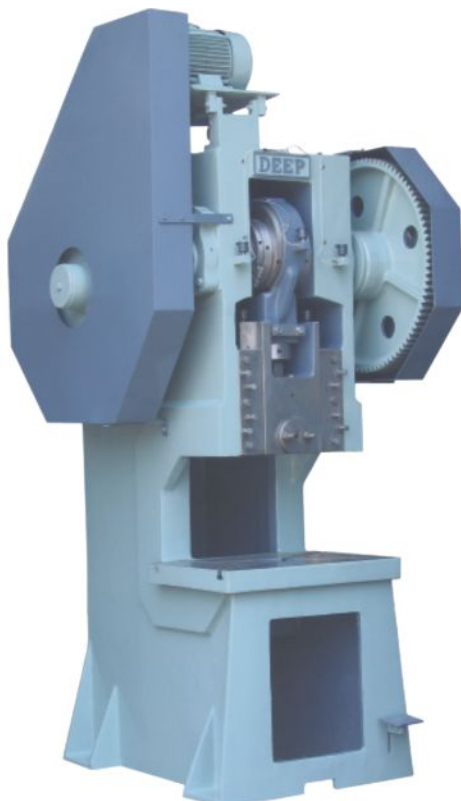

An ISO 9001:2000 Certified Company

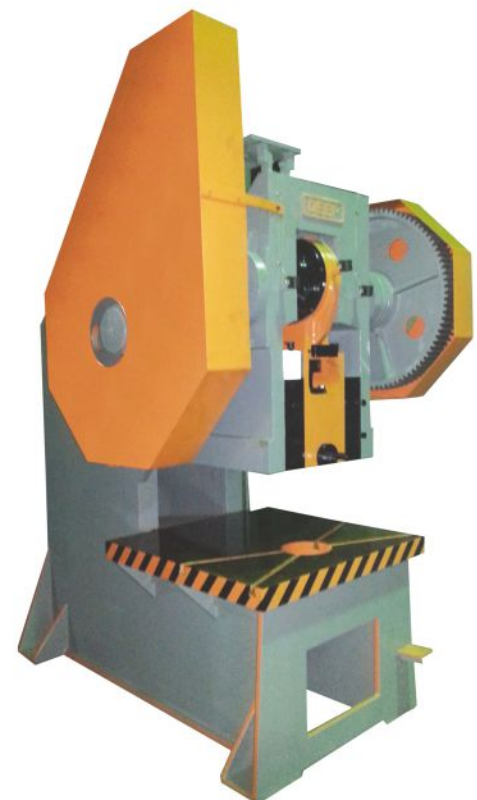

Pneumatic Clutch Model
Capacity : 10 Tons to 300 Tons

Standard Model
Capacity : 10 Tons to 300 Tons

Economical Model
Capacity : 10 Tons to 300 Tons

Deep Throat Model
Capacity : 10 Tons to 300 Tons

An ISO 9001:2000 Certified Company

H-Frame Power Presses

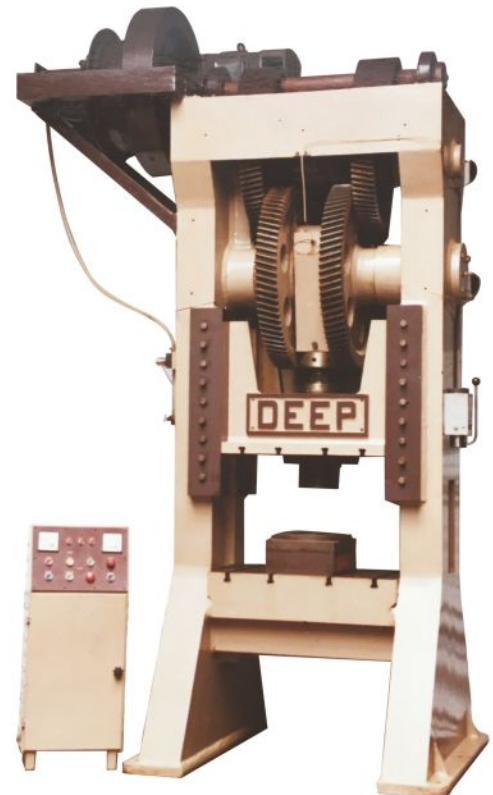

Standard Model
Capacity : 10 Tons to 1000 Tons

Economical Model
Capacity : 10 Tons to 300 Tons

Two / Multi-Point Suspension Model
Capacity : 10 Tons to 1000 Tons

Crank-Less Type Model
Capacity : 10 Tons to 1000 Tons

Hydraulic Presses

An ISO 9001:2000 Certified Company

Box Frame Model
Capacity : 10 Tons to 1000 Tons

C-Frame Model
Capacity : 10 Tons to 300 Tons

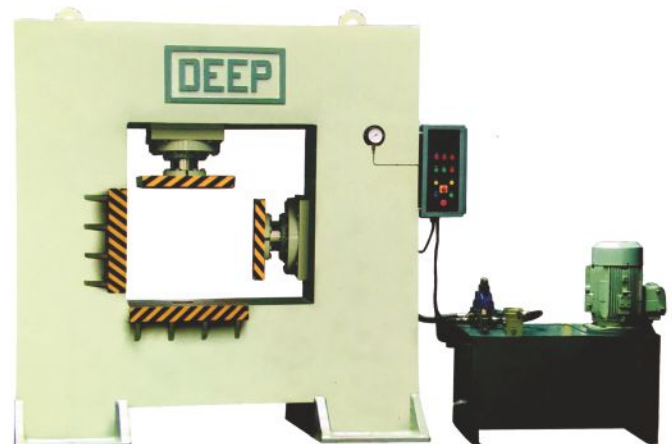

Deep Drawing Double Action Model
Capacity : 50 Tons to 1000 Tons

Up-Stroke Model
Capacity : 50 Tons to 1000 Tons

Four Pillar Model
Capacity : 10 Tons to 1000 Tons

Dual Operation Model
Capacity : 50 Tons to 1000 Tons

An ISO 9001:2000 Certified Company

Shearing Machines Press Brakes (Bending Machines)

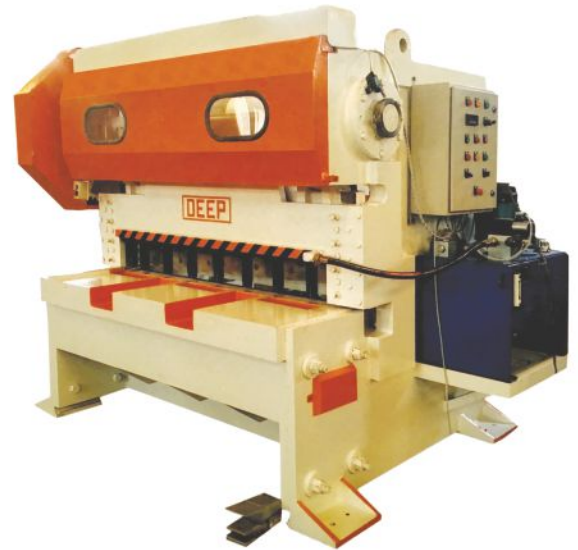

Under Crank Shearing Machine
Upto 4 mm Thickness & 3000 mm Width

Mechanical Shearing Machine
Upto 25 mm Thickness & 4000 mm Width

Hydraulic Shearing Machine
Upto 25 mm Thickness & 4000 mm Width

Hybrid Shearing Machine
Upto 25 mm Thickness & 4000 mm Width

Hydraulic Press Brake
Upto 500 Tons, 12 mm Thickness & 6000 mm Width

Mechanical Press Brake
Upto 300 Tons, 12 mm Thickness & 4000 mm Width

Special Purpose Machines & Accessories

DEEP

An ISO 9001:2000 Certified Company

Pipe Swaging Machine

Rod Reducing Machine

Deep Drawing Double Action Press

Multi Section Hydraulic Iron Worker

Motorised Coil Stand

Pneumatic Friction Clutch & Brake

Hydraulic Overload Safety

Electronic Safety Curtain
