

Dear Sir or Madam: ,

It's our honor to introduce my factory and company, specialized in manufacturing and exporting the machining parts in China.

The machinery we own:

1. CNC centre
2. CNC & normal lathe
3. Linear cutting machinery
4. Surface & roll grinding machinery
5. Milling & drilling machinery

Tolerance could be controlled within $\pm 0.02\text{mm}$ by machining and $\pm 0.005\text{mm}$ after grinding.

Advantage we have:

- 1.. High quality and best technical service
2. Quick response, we will reply e-mail within 24 hours.
3. One-to-One contact window
4. OEM and small quantity are acceptable

We are pleased to get to know that you are presently on the market for the machining products. As a specialized manufacturer and exporter for this product in China, we sincerely hope to establish long-term business relationship with your esteemed corporation.

Please contact us freely if you are interested! Your early reply will be much appreciated!

Looking forward to hear from you!

Best wishes,

Tao
